

JAN DAVIS

Business and Coaching Assistant

- Jan Davis is the business and coaching assistant at Jameson Management, Inc.
- She has worked with the Jamesons in one capacity or another since 1986. She has worked as Dr. John H. Jameson's dental practice assistant, business coordinator and treatment coordinator. Upon Dr. Jameson's retirement, she continued in that practice with Dr. Kyle Moore for two and a half years before moving to full-time assistant duties with Jameson in 2005.

Her knowledge of dental practice management is invaluable as she supports the business that makes dental practices worldwide accomplish more productivity, greater profitability and less stress. Davis helps order office supplies, keeps the product closet organized, handles product shipping and receiving and keeps the daily routine of Jameson in order with countless other tasks. She also organizes travel for coaches, and provides support for accounting, manual development and material coordination.

"It wasn't enough for me to have had the best business manager while practicing dentistry, I had to keep her involved with the Jameson management business as well. She is the best of the best—always willing to do whatever it takes to get the job done... and always smiling. She is the best and we are all very appreciative." — Dr. John H. Jameson, Chairman of the Board, Jameson
